NO. 19

VERDICT OF \$8,000 DAMAGES AGAINST JAMES HARGIS AND ED. CALLAHAN.

The jury in the case of Mrs. J. B. Marcum against Hargis, French, etc., at Winchester, returned a verdict, on Monday, awarding \$8,000 damages against James Hargis and Ed. Callahan, and also decided in favor of Alex. Hargis and B. F. French.

Both parties will appeal the case to the Court of Appeals.

This has been a most stubbornly-contested case, and some queer things have happened, such as the accused running away of witnesses by the defense, etc.

The result of this verdict may be very reaching and lead to further action in the way of indictments of the defendants.

It's the little colds that grow into big colds; the big colds that end in consumption and death. Watch the little colds. Dr. Wood's Norway Pine Syrup.

TO CELEBRATE BIRTHDAY GEN. R. E. LEE.

At the last meeting of Joseph H. Lewis Chapter, U. D. C., Saturday, January 7, it was decided to celebrate the anniversary of the birthday of Gen. Robert E. Lee, January 19, at 2:30 o'clock, in the Episcopal Church chapel.

A brief but comprehensive discourse by the Rev. Mr. Chinn, with a song, "My Old Kentucky Home," by a quartet of voices, under the supervision of Prof. H. V. Stratton, or his appointee, will be the only features of an occasion held so sacred to the hearts and memories of the Daughters of the Confederacy.

Respectfully submitted,
MRS. N. S. COX,
Corresponding Secretary.

EXTENDING STREET RAILWAY.

On Monday morning of last week the Frankfort & Versailles Electric Railway started a force of hands to work extending the line out Second and Taylor Avenues, around the boulevard to connect with the L. & N. yards, on the West Side. The company will extend the line to the Heritage distillery and to the big lumber mills of the W. J. Roberts Co., on the South Side. So soon as this work is completed, still other improvements, both to the cars and the line to the Park, will be put on, so that the line will be in better shape than heretofore.

There are some forty hands at work now and others may be employed as the work extends.

We are glad to note these things and hope that the line may be built to Versailles. It will be a paying investment.

WILL ESTABLISH HIGH SCHOOL.

Prof. A. N. Gordon, who for several years has conducted a private school for young men, near Lexington, has purchased the farm known as the Hendrick place, some two miles and a half from this city, on the Versailles pike, and will open his school there in September next. The house which Gen. Hendrick built on the place cost some \$30,000. The farm contains near 100 acres of fine land.

Since Gen. Hendrick failed, the place was bought and held by his creditors.

It will be an ideal place for a high school for young men, and we welcome Prof. Gordon to our county. He is said to be a splendid teacher.

ABLE PREACHER AND SPLENDID GENTLEMAN ANSWERS LAST SUMMONS.

The sad news was received in this city, on Wednesday, that Rev. Henry E. Thomas, of Philadelphia, Pa., had passed away at his home in that city, after a long illness, aged 78 years.

Mr. Thomas was an able preacher and high-toned gentleman. He was born in Philadelphia, but came to Louisville when but a lad, and spent a large part of his life in that city, Georgetown, Augusta and in this city.

When a young man he was admitted to the Presbyterian ministry and for more than fifty-one years preached the gospel. He was of slight and delicate body, but his mind was strong and he was a preacher of more than usual ability. He served congregations in Kentucky, Indiana, New Jersey (serving one church in that State for over seventeen years) and Pennsylvania.

In 1866 he was married to Miss Annie A. Hodges, second daughter of the late Col. Albert G. Hodges and wife of this city, and three children (together with his wife) the result of their union, surviving, viz: Mr. Louis St. J. Thomas, of Crescent Hill, Louisville, and Mrs. H. W. Bacon and Miss Lizzie Thomas, of Philadelphia.

Mr. Thomas was a brother-in-law of Mrs. Jno. N. Crutcher, of this city, and Mr. James A. and Miss Lizzie B. Hodges, of Louisville. A large number of relatives in this city will regret to hear of Mr. Thomas' death, although it came to him as a blessed relief from long years of suffering, which he bore with cheerful submission to the will of his Lord and Master.

The remains were interred at Philadelphia.

We give the following short sketch from the Louisville Post, of Wednesday:

"The Rev. Henry E. Thomas died this morning at his home in Philadelphia. Mr. Thomas was in his seventy-eighth year, and for more than fifty years was a beloved minister of the Presbyterian Church. His boyhood and early manhood were passed in Louisville, but for many years he had charge of churches in New Jersey and Philadelphia. Mr. Thomas' wife was a daughter of the late Col. A. G. Hodges, and he has many relatives and friends in Kentucky. His wife and three children survive. His son, Mr. Louis Thomas, has lately moved to Louisville, and is connected with the Citizens' Life Insurance Company. Mrs. H. W. Bacon and Miss Lizzie Thomas, his daughters, live in Philadelphia.

TRUE AS GOSPEL.

An exchange well puts the matter in the following extract (editors are not mind readers or foretellers of events):

"There never was a paper in any locality that gave all the news. Persons often come and go and the reporter does not see. It often happens that a family is missed several times. They get the impression that the paper does not care to mention them. It is a mistake. The paper has no ill feeling, nor spite nor enmity against anybody. Perhaps you think the paper shows partiality, but try and see if it doesn't treat you well if given a chance. If you don't see us to tell us of any happening or news item at your home, use the telephone or drop it in the postoffice, but don't fail to give your name so there will be no mistake about it."

A lazy liver makes a lazy man. Burdock Blood Bitters is the natural, never failing remedy for a lazy liver.

WATER MAIN BURST.

On Wednesday afternoon about 5 o'clock, the big water main burst in front of Mr. Jos. Noonan's grocery store, corner of Main and Ann streets, and the water poured out into the roadway, making a lake from curb to curb.

It was some considerable time before the water could be turned off, and the mud and water piled over the street car track.

Later in the night, workmen dug down and took out the broken section of pipe and put in a sound one.

It made things pretty lively for quite a while.

RENTED PART OF WOODBURN FARM.

Mr. John Morris has rented some 300 acres of the Woodburn Farm, from the Alexander heirs, including what is known as the Broadhead cottage and will raise thoroughbreds on that famous farm.

Mr. Morris is a thorough horseman and makes a success in such matters.

THE WEATHER.

Don't mention it. Since the first of the new year we have had more different kinds of weather, and more of it, than we ever remember to have seen in the same length of time—sunshine, rain, snow, sleet, mist—phew! Don't mention it.

BROKEN ARM.

Mrs. H. H. Watson was so unfortunate as to fall on the slippery pavements, on Tuesday last, and break her arm. Surgical attention was at once rendered and Mrs. Watson is doing as nicely as could be expected.

THANKS.

Mr. Paul S. Jeffries, who formerly lived here, but who is now a resident of Stillwater, Minn., has placed under obligations for a copy of the St. Paul (Minn.) Dispatch, which is a first-class city paper, handsomely illustrated, with colored supplement.

He will please accept our thanks for his kind remembrance.

FORCED TO STOP RUNNING.

Owing to the snow, sleet and rains of the first of the week the street cars were forced to suspend operations Monday afternoon, Tuesday until just before night, when they ran for a short time, and again suspended until Wednesday about noon. The company has had lots of trouble lately.

SECURES LOCATION.

The Joint Health Board of the city and county have purchased a house and seven acres of land, located on the Cove Hill, for the location of the pest house. The property cost \$1,200, and will be at once put in shape for occupancy of those afflicted with contagious diseases.

IN SERIOUS CONDITION.

We regret to learn that Mr. W. W. Hughes, former deputy sheriff, and son of Esq. Geo. C. Hughes, of the Forks of Elkhorn, is in a serious condition from heart disease, at his home in Lexington, Ill. He has been ordered to California or Florida. His brother, Mr. G. Russ Hughes, will go to Illinois to accompany him on the trip.

BOUGHT OUT PARTNER.

Mr. Chas. L. Weitzel has purchased the interest of his partner, Mr. H. B. O'Donnell, in the big dry goods store of Weitzel & O'Donnell. Mr. O'Donnell only retired because of long continued ill health. Mr. Weitzel will keep the business up to the high standard so long maintained by this house.

BANK DIVIDENDS.

The Deposit Bank of Frankfort, has declared a semi-annual dividend of three per cent, upon the business of the last six months. This bank is well managed and does a safe and profitable business.

The Farmers Bank of Frankfort, declared their semi-annual dividend of three per cent. This bank is well managed and had the best year that they have experienced since they began business.

The old reliable National Branch Bank of Kentucky, declared their regular semi-annual dividend of three per cent. Everybody knows how solid and secure this bank is.

The safe, steady-going State National Bank, have declared their usual semi-annual dividend of three per cent. The stock in this bank is held as gilt-edged and desirable.

The above items were prepared for last week's paper, but advertisers came in at the last hour and crowded them out.

GRACEFUL RECOGNITION.

L. J. Irwin, of Louisville, G. P. A., of the Louisville, Henderson & St. Louis Railway Co., in a personal letter to the editor of the Roundabout, says: "This year (1904) has been for the Henderson Route the most prosperous in its history. We have no hesitation in saying that the Henderson Route handled fully one-half of the World's Fair business from the State of Kentucky (which is surely a creditable showing when the strength and number of its competitors is considered), and we wish to place the credit of our success where a great deal of it belongs—to the Roundabout. We also take this opportunity of expressing our sincere thanks and appreciation for the good that has resulted to us through the advertising and publicity given us in your valued columns, and comply with it the earnest wish that yourself personally and the Frankfort Roundabout may enjoy the fullest measure of prosperity during 1905 and the best that the New Year offers."

BUYS NEW STAND.

Mr. W. McKee Hardie has purchased the drug store of Mr. Paul B. Weitzel, at the corner of Broadway and St. Clair streets, and has taken possession. This is a very desirable stand and Mr. Hardie showed good judgment in his purchase.

AUDITOR WON.

In the case of Fuqua, Superintendent v. Hager, Auditor, in the Court of Appeals, in which Prof. Fuqua was suing for \$130,000 (fees collected by the Insurance Bureau) for the benefit of the school fund, the court held that the money was not part of that fund.

AWARDED \$10,000 DAMAGES.

The jury in the case of Uetschi v. L. & N. R. Co. and the C. & O. R. R. Co. in the circuit court on Monday, awarded the plaintiffs \$10,000 in damages for the killing of Mr. Robt. Uetschi by a C. & O. freight train, in front of his home, last spring. An appeal was taken.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup.

Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the only ones who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists.

NEAR TO DEATH.

Mr. Anderson Hieatt and bride, of Anderson county, came to the Capital Hotel, on Wednesday night. Upon retiring they blew out the gas. Later in the night Mr. Hieatt awakened and found his wife unconscious.

Physicians were at once summoned and Mrs. Hieatt resuscitated.

NARROW ESCAPE.

About 11 o'clock on Thursday night, Miss Alice Lafontaine discovered the entrance to a door, in her father's residence, on Ann street, to be on fire. She at once gave the alarm and Mr. Lafontaine and his sons succeeded in extinguishing the blaze without turning in an alarm. The damage was only about \$25 worth.

It seems that the bricklayers, when putting in the door, failed to build in the space between the casing and a flue with brick, and a spark from the flue set the wood work on fire.

Had the blaze started later in the night the whole family would likely have been burned to death.

BY INDIAN WAR HEROES.

"Indian Fights and Fighters," by Cyrus Townsend Brady, which is just being brought out by McClure-Phillips, strikes the personal note strongly, and will bring the heroes of our recent Indian wars very close to the reader. Many of the accounts given in it are encounters with the red men won by the generals who were in command. The larger part of the material was furnished by the officers or men who had been in the engagements, and the accounts by Mr. Brady were in all cases revised by men who had first-hand knowledge of the subject on which Mr. Brady wrote. There are also maps and sketches of Fort Phil Kearney, made by Gen. H. B. Carrington, and other Indian war heroes have contributed in some way. There are pictures of everybody; one especially, of Buffalo Bill as a young man, which has never before been reproduced.

Can't rest at night with a bad back.

A lame, a weak or an aching one.

Doan's Kidney Pills are for bad backs.

They cure every form of kidney ills.

From common backache down to diabetes.

They are endorsed by Frankfort people.

Mrs. Margaret Weitzel, of 318 Merco street, wife of Lucas Weitzel, baker by trade, now retired, says: "For a number of years I suffered from a persistent aching across the small of my back and through the kidneys. At times my back was so bad that I could hardly sit still, get up or down, or lift anything even of ordinary weight. At night it bothered me so that I could not rest comfortably, and when I first arose in the morning, I felt stiff and worn out, the kidneys' secretions were irregular, highly colored and distressing, and on standing deposited a heavy sediment. I saw Doan's Kidney Pills advertised, procured a box at J. W. Gayle's drug store and began to use them. In a few days, I noticed that the secretions had assumed a natural appearance, the pains and aches left me and I felt as well as ever after completing the treatment. Nothing pleases me more than to speak a word in favor of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

TENTH ANNIVERSARY.

Mr. Bain Moore and wife celebrated the tenth anniversary of their marriage, on Tuesday last, at their home. It was a very pleasant affair.

From 4 till 6 their married friends were entertained at a supper, a large turkey being the crowning feature.

From 7 to 12 the young folks were entertained at parlor games, music and party plays, which were immensely enjoyed.

Mr. Moore is one of the most accommodating and jovial young farmers in our neighborhood, while his wife is a charming hostess. All who were there, who were near half a hundred, joined in wishing these clever people many happy returns of the occasion.

OUR MOTTO: "GRADE HIGH." "PRICES LOW."

We mean just what we say—"High Quality—Low Prices." Some people think that a good article can not be had for a low price—that, if they pay a good price they are always sure of a good article. That is wrong. Sometimes merchants cut the prices on excellent goods below cost just to get people into the store—they lose money to make trade. That is the case when we offer Glenmore Whisky at \$2.00 per gallon.

Frankfort, Kentucky

The Frankfort Roundabout

Entered at the postoffice at Frankfort, Kentucky, as second-class mailable matter.

GEO. A. LEWIS, Pro'r and Pub.

FRANKFORT, JANUARY 14, 1905

TO OUR PATRONS.

We will, in a few days, send out bills to our patrons for their subscriptions to the Roundabout. The amounts due from each individual subscriber are small, but, in the aggregate they amount to a very considerable sum, and will help very materially to make the "wheels go round."

We trust the response will be prompt and assuring, for which we shall be duly grateful.

INEXCUSABLE NEGLECT.

For more than a week the earth excavated for the track of the street cars, on Second street around to Taylor avenue, has been lying upon the granite sidewalk leading to the city schools. The bad weather and the sleet and snow, followed by the thaw of Wednesday, made the narrow passageway for pedestrians between the bank of earth and the granite foundation for the iron fence, from two to four inches deep in water, and the consequence was that the teachers and scholars had to wade through this water all the way from the school to the corner of Bridge and Second streets, many of them having their feet thoroughly wet.

Whose fault this is, we do not know, but it is simply a piece of inexcusable neglect and careless indifference to the rights of others.

We hope this matter may be attended to at once. The attention of the Board of Education is especially called to the matter. The teachers fear that many of their scholars may be made sick by having to wade through the water, as they had to do, to get to school.

Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my a. e. came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble come on. From extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralytic and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in large degree. I wish you continued success."

All druggists sell and guarantee first bottle Dr. Miles' Remedies. Send for free book on Nervous and Heart Diseases. Address Dr. Miles Medical Co., Elkhart, Ind.

MEETINGS CLOSED.

The series of meetings, held by Rev. Geo. A. Hilton, at the First Presbyterian Church, closed on Sunday night last.

The meetings, throughout, were characterized by a deep and solemn interest. The preaching of Mr. Hilton was straightforward, pungent and searching. He did not shun to call things by their right names. He did not call sin an "alteration from the path of rectitude," but he called it "sin" in its widest acceptance.

We regret that the weather interfered largely with the attendance, which, while good, was nothing like such as it ought to have been, and no doubt would have been otherwise.

The address of Mr. Hilton at the Y. M. C. A., on Sunday afternoon, was especially fine, direct and searching. He is a speaker of power, and all who heard him wished to hear him again.

Two million Americans suffer the torturing pangs of dyspepsia. No need to Burdock Blood Bitters cures. At any drug store.

A REGULAR BEAUTY.

The Equitable Life Association has issued one of the daintiest and prettiest calendars of the season. It is something that any lady would gladly adorn her room with.

We desire to return thanks to Mr. Ralph R. Wilson, special agent, for a copy of this regular beauty.

TAKES PLACE IN APPELLATE CLERK'S OFFICE.

Mr. Rodman Keenon, of Harrodsburg, has been appointed to and accepted a position as Deputy in the Clerk's Office of the Court of Appeals, under Mr. J. Morgan Chinn. Mr. Keenon was City Attorney of Harrodsburg.

BUYS VALUABLE PROPERTY.

Mr. Frank Hewitt has purchased the property of Mrs. Nicholas Kane, on Third street, between Logan and Murray, for \$1,400. This is a valuable piece of property as, beside a good cottage house, there is a large lot upon which dwellings can be built, which will be in demand.

COUGHS AND COLDS.

All coughs, colds and pulmonary complaints that are curable are quickly cured by One Minute Cough Cure. Clears the phlegm, draws out inflammation and heals and soothes the affected parts, strengthens the lungs, wards off pneumonia. Harmless and pleasant to take. Sold by J. W. Gayle.

LANDSAY-WILSON TRAINING SCHOOL.

We are glad to see, by the clipping below, that this training school for Vanderbilt University, located at Columbia, Ky., is scoring a success under the management of Prof. S. L. Frogge, lately of this city.

"The Landsay-Wilson Training School, established by the Board of Education of the Louisville conference of the M. E. Church, South, which opened its doors for the matriculation of students one year ago, is meeting with great success. Last term about 250 students were enrolled, and this term the success promised will be even greater. With the beginning of the second five months, Monday, seventy new pupils matriculated, and there are still others to come. The school now has over 200 enrolled. Prof. S. L. Frogge, an educator of State reputation, heads the institution, and the Rev. Chas. R. Payne is the business manager."

DESERVED PROMOTION.

Mr. Ralph R. Wilson, who has been in this city for some two years, as agent of the Equitable Life Association, has received a new promotion, with, of course, proportionate increase of salary. He has been appointed to a special agency for the Louisville office in this and adjoining counties. He will, however, still make Frankfort his headquarters.

Mr. Wilson is a pleasant and popular gentleman with very efficient and winning ways in the insurance business.

We congratulate him upon his success. He represents, he claims, the safest and best insurance company in the country.

SOLD HER FARM.

A short time since Mrs. A. M. Forsee advertised her farm of 200 acres, lying on the Peak's Mill pike, for sale, in the Roundabout. On Monday last the place was sold to Mrs. W. Thos. Black, for \$2,000, equal to cash.

This is a nice place and Mrs. Black has a bargain in it.

VOTE CAST FOR PARKER AND DAVIS.

The electors for President and Vice-President selected by the people of Kentucky, met on Monday last in the Appellate Court room. Mr. Jennings, the elector from the Second District, was the only absentee.

The vote of Kentucky was then cast for Parker and Davis and the electors adjourned.

TONIC TO THE SYSTEM.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous Little Pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of Laysville, Ind., says: "No use talking. DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. DeWitt's Little Early Risers proved to be the long sought relief. They are simply perfect." Persons traveling find Little Early Risers the most reliable remedy to carry with them. Sold by J. W. Gayle.

Terrible plagues, those itching, poisoning diseases of the skin. Put an end to misery. Don't's Ointment cures. At any drug store.

PROMPT WORK.

We understand that the Prudent Patricians of Pompeii, a benevolent insurance society, who held a policy for \$1,000 upon the life of Mr. John J. Griffin, who died on Saturday, have already arranged for the payment of that sum to the desolate widow.

This is an unusually prompt settlement and the order deserves all credit.

A NOTABLE ATTRACTION.

Coming to Capital Theatre next Friday, January 20.

The engagement of Miss Nanette Comstock at the Capital Theatre on Friday, January 20, for one performance only in Mr. Winston Churchill's dramatization of his own thrilling novel of love and war, "The Crisis," is justly considered one of the most important of the present season. The fact that Miss Comstock is starring under the management of James K. Hackett, the clever young actor-manager who has come to the front so rapidly as a manager of high-class attractions, is in itself a guarantee of the high artistic merit of the entertainment offered. Then, too, "The Crisis" needs no introduction to local playgoers. The play is recognized as the most popular of all American dramas, and has a record for success of the most emphatic kind. For three years the play has been before the American public, and it has yet to receive the faintest word of condemnation. No other play has been produced in this country in years that has a record for success to equal that of "The Crisis." It has been played in every city of any size from Maine to California and is still regarded by theatre-goers as the most important engagement of the year in each city in which it is looked to appear. Local playgoers will see "The Crisis" under the most favorable conditions this season. The play has been provided with an entirely new scenic outfit, and one which is said to be more beautiful than any yet provided for this play, which has always been considered one of the most sumptuous and stately productions in this country. Miss Nanette Comstock, who is now starring in the play, is very justly regarded as one of the most charming of American actresses. She has created more important characters in American drama than almost any other young player. She was the original Jennie Buckthorn in "Sheandoh," and played the part as it has never been played since. She was the original Mollie Wood in "The Virginian" and has been seen nearly all the important Broadway productions during the past ten years.

Those who have seen Miss Comstock's performance as Virginia Carvel have no hesitation in declaring it is the best work she has ever done, and that she is more over the perfect physical and mental embodiment of the character of the warm-hearted, hot-headed young Southern belle.

A FRIEND OF WHISTLER.

William Farquhar Pysson, the author of "Debonnaire" (McClure-Phillips), is one of the few men who knew the real Whistler in his later days. He met him in Rome at the time he was standing as best man to William Heinemann in his marriage with Magda Sindici (the author of "Via Lucina"). Later he saw a good deal of him in London. The Whistler on show, with all his eccentricities and his vengefully ready tongue, Mr. Pysson says is decidedly not at all the real Whistler, who in the privacy of his own home was all sweetness, kindness, wit and brilliancy. In an intimate conversation or discussion on art, literature, morals, religion, or what not, Whistler, he declares, was nothing less than marvelous. In his later days Whistler looked longingly towards America—harked back, as it were, to his earlier love. He thought tremendously of the American appreciation of his work.

HU I'RAH FOR "OUR JIMMY."

WM. H. ANDE B. JOSSELYN'S CONGRESS OF NATIONS.

If you contemplate ever taking a trip either in this country or Europe and feel undecided which place go to get the most scenes of interest and natural curiosities for your money and time invested, attend the theatre one evening and witness Wm. H. and E. B. Josselyn's "Congress of Nations," and the question will be forever settled, and in favor of America first, last, and all the time. The attraction consists of 33 subjects, \$15 actual photographic scenes, 52 feet long and 35 feet high, selected from all parts of the entire world with every interesting feature included. It is the only attraction of the kind in the world, invented, constructed and patented by Mr. Josselyn, and is not for sale, hire or rent, and after 18 years before the public I have solved the problem at last. More scenes and less talk, that's all. The attraction will be at the Capital Theatre, Monday and Tuesday evenings and Tuesday matinee (100 scenes from "BEN HUR").

WHAT IS THE MATTER?

The city of Frankfort possesses one of the best city clocks ever manufactured, and those who know say that it only needs the services of a man competent to manage it to keep as good time as it ever did.

The question arises then, why is it allowed to stand idle day after day?

Every small town that has any enterprise has a clock to give the time to its inhabitants. It is a sin and shame that a city the size of Frankfort allows its inhabitants to guess at the time or to rely upon their own private time pieces, many of them not being able to have their own time-keepers.

If our city authorities can not afford to have the clock run, it is about time an effort was being made to get the U. S. Government to have a clock put in the cupola of the custom house.

We believe this can be accomplished if an earnest effort is put forth to that end. Why not petition our Congressmen to do this much, at least for the benefit of this part of his constituency.

STAMPING GROUND.

Mr. Herman Stone has gone to Hot Springs, Ark., where he has a good position.

The drug store has changed hands again. Dr. A. Stewart has purchased it and taken possession. Mr. Louie Lewis, of Shelby county, has rented a part of the Judge Lewis place from Mr. O. D. Bourne, for \$1,000.

Mr. Lafe Robinson has sold his farm, containing 102 acres, on the Schreder pike, to Mr. Jesse Sharp, for \$4,300.

Mr. Lafe Robinson has rented the Alex. Ferguson farm from Judge J. F. Askew.

The rainy, sleety, snowy weather of the past few days has pretty much stopped every kind of business. People only leave home when they have to.

The will of Mr. Joseph W. Bond was made Sept. 23, 1901.

He directs that the sum of money in his hands for his daughters, Ella and Mary Bond, left them by their aunt, Mrs. Mary Boyle, be paid them. After the above provision he desires that the balance of his property, real or personal, be divided equally among Mrs. Bessie Kennedy, Ella and Mary Bond, except one interest in the estate of Elijah Threlkold, deceased, and purchased by him at the sale of said interest in the case of J. H. Bond, bankrupt.

But out of said interest he desires that his children, Mrs. Bessie Kennedy and Ella and Mary Bond, be paid \$100 each, that J. H. Bond be given \$5, and that the balance remaining of said interest be equally divided among the following persons or their heirs: Mrs. Lida F. Adams, Mrs. N. E. Williamson, Mrs. Josie Dawson, Miss Jimmie Bond and the heirs of Mattie Adams, deceased.

He named Jno. H. Adams, of Stamping Ground, as executor without bond. UNO.

MOTHERS BE CAREFUL

Of the health of your children. Look out for Coughs, Colds, Croup and Whooping Cough. Stop them in time—One Minute Cough Cure is the best remedy. Harmless and pleasant. Sold by J. W. Gayle.

MAGNIFICENT BUILDING.

We have been placed under obligations to the New York Times for a copy of their issue of Sunday last, January 1st, which contains a description of their wonderful new building, which was that day regularly opened up for business.

The structure is a 31 story steel and concrete building, and is a triumph of the architect's skill.

One of the most wonderful feats of all connected with this splendid enterprise was the fact that the whole outfit, presses, linotypes, stereotyping machines, etc., everything necessary for the work, was moved in and put into position for work in just 19 hours from the time it was undertaken until completed.

It required magnificent train work to plan and execute this wonderful work.

WE ARE ALL FAMILIAR

With the deep, hoarse bark, grimly called "a graveyard cough." It is the cry of the tortured lungs for mercy. Give them mercy in the form of Allen's Lung Balsam, a remedy for pulmonary trouble, so highly esteemed that it is recommended even in the earlier stages of consumption. In the later stages mortal skill is unavailing. Nobody can afford to neglect a cold.

KICKED BY HORSE.

Mr. James Hulett, of the Benjamin neighborhood, aged 11 years, attempted to bridle a horse on Thursday of this week, when the animal whirled around and kicked the young man just over the right eye, crushing the skull and inflicting a gash five inches long in one direction and three inches in the other.

Dr. O. B. Demaree was summoned and attended to the lad's injuries. He is in a very critical condition.

Dr. Weaver's Syrup and Cerate.

Successful treatment for blood and skin diseases.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse ad vice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boesche's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

Dr. Weaver's Treatment.

Syrup purifies the blood, Cerate heals skin eruptions.

FORCED TO STARVE.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it, with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At all drug stores; only 25c.
